

Posament P11

Jean Kveberg eithni@gmail.com www.eithni.com/posaments

P11 is simply an alternating pattern of P9 and P10 (see individual tutorials) – the key to weaving P11 is to turn the braid UPSIDE DOWN when weaving the top P9s (in red and orange in the photo). This will put those threads in the usual orientation for weaving and is MUCH easier than trying to do the knot upside down and backwards.
