1. Make a loop, with the top ends laying to the LEFT.
The strands on the bottom are the ACTIVE strands.

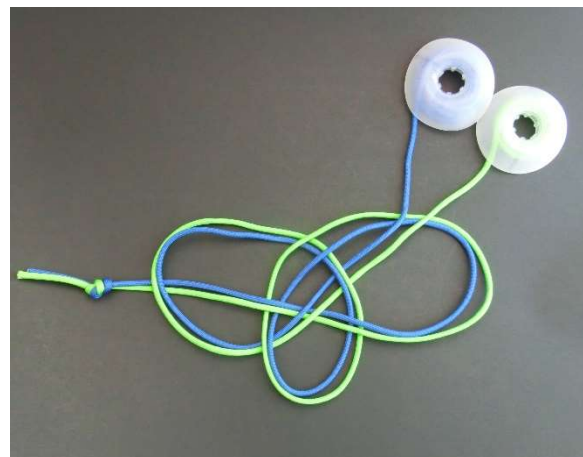

2. Take the ACTIVE strands and make a loop
BEHIND the first loop to make a pretzel shape.

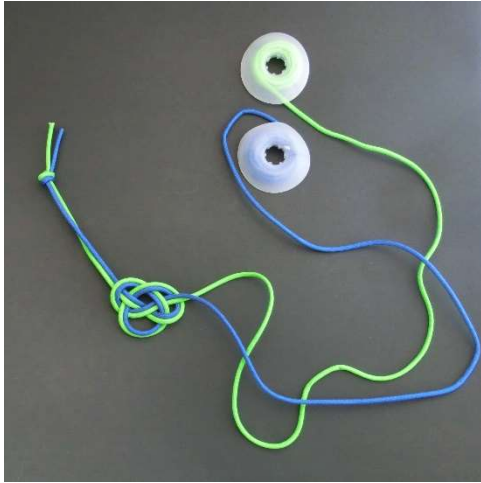

3. Pass the active strands over the starting end.
The silver line indicates the next pass.

4. Pass the active strands UNDER the second loop,
OVER the first loop, UNDER the second loop,
and OVER the first loop.

5. Gently pull all the strands to tighten the knot. Arrange the strands so the strands stay in the proper order and the knot is flat.

6. Fully tighten the knot. Finished knot.

Three finished knots in a row.
