

## Griffin's Needle Challenge Judge's Scoring Sheet

Team Name	
Entry Level	
Culture and Time Period	
Judge's Name	
Judge's Contact Info	

Category	Score
<p><b>Documentation</b> <i>Historical information about the garments and accessories, including justification of departures from the norm. (1-10 points)</i></p>	
<p><b>Materials</b> <i>Use of appropriate materials in the construction of the garments and accessories or justifications of substitutions. (1-10 points)</i></p>	
<p><b>Methods</b> <i>Use of appropriate techniques in the construction of the garments and accessories or rationale for methods chosen. (1-10 points)</i></p>	
<p><b>Workmanship</b> <i>The overall quality of the techniques used in construction of both garments and accessories. (1-10 points)</i></p>	

<p><b>Fit</b>  <i>How well the completed garments fit the chosen model. (1-10 points)</i></p>	
<p><b>Completeness of Outfit</b>  <i>The degree that the chosen garments and accessories represent a complete outfit typical of the period and culture. (1-10 points)</i></p>	
<p><b>Degree of Completion</b>  <i>How much of the attempted outfit is completed within the allotted time frame. (1-10 points)</i></p>	
<p><b>Judge's Discretion</b>  <i>Points to be awarded at the judge's discretion for exceptional work and general "wow!" factor of the entry. These "bonus points" are on a 0-5 scale and are for work above and beyond expectation in some manner.</i></p>	

Categories 1-7 are judged on a ten point scale where:

- 1 = No or minimal work
- 3 = Needs work
- 5 = Meets expectations
- 7 = Above Average
- 9 = Excellent
- 10 = Masterwork level
